Welcome to our practice! *It is our intention to create a positive dental experience.*

Enclosed is a registration and health questionnaire, please complete and bring with you to your first appointment.

Please remember to also bring the following items:

- * Complete list of medications you are taking*
- * Your dental insurance I.D. card or insurance forms.*
- * Any pertinent medical information to complete your file.*

Please arrive 15 minutes before your appointment time so we can record your information into our computer system. Once again, welcome. We are looking forward to meeting you at your appointed time.

We have a really simple reservation policy. How it works is we take a credit card to put on file .If you do not show for your appointment we will charge \$50 to your card. In the event that you do have something come up, we ask that you give us a 2 business day notice before your appointment to ensure that your account won't be charged. That way we can release your appointment time to someone on our waiting list.

*Thank you,
Moftah El-Ghadi, DMD,F.A.C.P.*
